

Lifecycle Marketing Map

Siddharth Bhattacharjee · siddharthbhattacharjee.in

- Acquisition: How does someone discover you?
- Activation: What is the first useful outcome?
- First value: What makes the product/service feel worthwhile?
- Repeat: What creates the next purchase or use?
- Retention: Why should the customer stay?
- Churn: What signals disengagement?
- Reactivation: What could bring them back?
- Measurement: Which behaviour matters at each stage?
